FOUNDED JUNE 17, 1961 - ST. ALBERT'S 100 ANNIVERSARY

April 17, 1965 Vol. 5-14

## THE LAST SUPPER

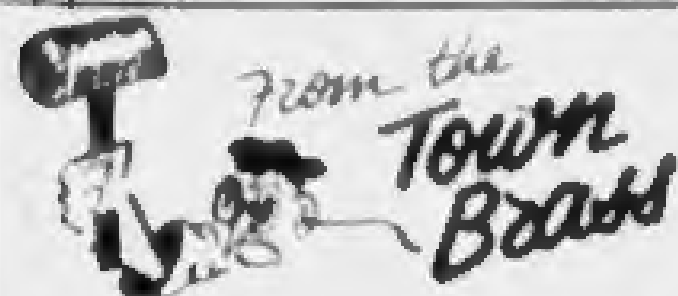

A magnificent and impressive scene of Jesus and his disciples the night before he was betrayed. It can be seen in the chapel of the St. Albert Mission Rectory under the altar, in a glass enclosed case.

It was carved by Brother Brochard, a sculptor by profession, who came to St. Albert in 1874 with Bishop Grandin. Br. Brochard carved each man in this

beautiful work individually, giving a very lifelike effect. He worked in St. Albert until 1894, when he was appointed as sculptor to the Cathedral in Metz France.

Brother Brochard brought more than 90 years ago the first arts and crafts to St. Albert for which we can call him the father of our present St. Albert Arts and Crafts activities. More of

his high standard work can be seen at the crypt on the hill and also in St. Mary's Church in Calgary. A visit to the crypt and the chapel during the Easter holiday will not only increase our knowledge of the memory of Easter, but it will also make us feel proud that we in St. Albert have one of the oldest cultural developments in the Province of Alberta.

- MINISTERIAL REQUEST
- ST. ALBERT DEVELOPMENT CLAIM
- ELECTIONS NOT BEFORE JUNE 16th.

Council Meeting, Monday, April 12  
Special Election Council decided to start the preparations for a special election which will be held June 16 at the earliest. A definite date was not set but will be at the next meeting, Tuesday April 20th. Council appointed an enumerator, Mr. Sam O'Connell, of the Town

Staff, to prepare the supplementary voters list. The returning officer, BRO's, etc will be appointed next meeting.  
McKenney Avenue Council decided that as soon as the Public High School in Mission

Park is finished, a street in this area will be named McKenney Ave. Mr. McKenney was the first man to represent

St. Albert in the Provincial Legislature. The name originally used after him was recently changed by Council to Sir Winston Churchill Avenue.

**Recreation Grant** Council couldn't decide regarding a recreational grant to the St. Albert M.C.A. It was tabled for one week to give the Council time to talk with the Recreation Director regarding this grant.

**Sale of Land** Council approved in principle the sale of land to the Pioneer Motor Hotel for the sum of \$10,000.00 to be used as a large parking lot by the developer and which can be used by the general public in the future. The Pioneer Motor Hotel will be located to the north of Grandis Shoppers Park in front of the Curling Rink.

**Recreation Club House** The clubhouse presently being built with the money from the Recreation Grant will be ready in about 5 or 6 weeks. There was a letter from the Recreation Board asking for some direction regarding the management of this clubhouse, and also wanting to know who will be responsible for rentals and general policy: the Recreation Board, the Recreation Director or Council. A lively discussion followed and Council decided to give this problem back to the Recreation Board, to discuss with the Recreation Director, then bring recommendations to Council.

**Dairy Drive In** A request from Mr. Haupt to start a dairy drive in on the South East corner of the Edmonton Road is at once classified as "small holdings" (Mr. Hauptman bought the land from John Mitchell who lives at this corner). Councillor Stewart moved that landowners in this area should be asked if they have any objections to this development. This was defeated. Councillor Fowler moved that this development be approved in principle in accordance with the terms set by the Development Solicitors. Carried.

**Letter from Pure Commissioner** Elsewhere in this issue you will find a copy of a letter from the Provincial Pure Commissioner to the Town of St. Albert in regard to the Certificate of Permit and of

our fire dept in 1965. This certificate will be presented to the Vice Chief at the next regular council meeting.

**St. Albert Development Claim** Brownlee and Brownlee, solicitors for the Town, have proposed to Council that they engage a second firm of engineering consultants for proper defence against the claim of St. Albert Development. This firm should examine and review all the information relating to the subject matter of this lawsuit and would provide a representative who would testify as an expert. Councillor Fowler moved, "Be it hereby resolved that for the purposes of the defence of the Town of St. Albert in the action brought by St. Albert Development Ltd., the Town does engage the services of Haddin, Lewis & Brown Co. Limited as engineering consultants. The said Consultants shall have full access to all documents, plans, schedules, records and reports which, in their opinion or in the opinion of our Solicitors, may be relevant to the subject matter of the litigation. The said Consultants are authorized to report to the Town through its Solicitors." Carried.

**Cemetery** The St. Albert Ministerial Assn. wrote to Council asking for a piece of land to be developed as a cemetery for the Protestant population, based on the Town & Village Act, and a talk between Rev. Dr. Schwarz and the minister for Municipal Affairs, the Hon. Alfred Booke. Councillor Riger said that as far as he knew there was no act, municipal or provincial saying a town must supply a cemetery. There is not even a provision in the Public Health Act. After serious consideration, Council decided not to buy land for this cemetery simply because there is no money available. Councillor Fowler put it in motion saying that the Town cannot consider buying land for a cemetery at this time. The Town will inform the St. Albert Ministerial Assn that the Technical Advisory Committee will be most happy to assist as far as they can in this matter.

**Swimming Pool** Mayor Johnson suggested the possibility of bringing the swimming pool before the public in the next election. A decision regarding this suggestion will be made at one of the next council meetings.

## PRESBYTERIAN CHURCH

We wish you and yours a Happy Easter as we recall together the great display of God's love for us at Calvary. We pray that this season will be full of rich blessings for you.

Four more communicants were added at our recent communion. These were: Mr. & Mrs. Kenneth Crooks from Knox Church, Calgary, and Mr. & Mrs. Ray Gibbon from First Church, Edmonton. Another reception of members is being held in June. Any who are planning on transferring their membership are asked to contact the Minister or the Clerk of Session. As soon as the weather is improved and the mud is gone we plan to spend a few minutes at the new site to offer prayer. Our First Anniversary comes up on April 25th. We have invited Rev. J.E. Bigelow of Westmount Church to be with us on that occasion. Let's greet him with a

full congregation. As we come to this first milestone let us thank God and let us recall together that we are doing His work. Continue to pray that God will lead us as we serve the community in His name.

Parents of Sunday School children from 9 years and up - your child's Bible is an essential working tool. Make sure he or she takes one each and every Sunday. The Revised Standard version is preferable if they have one.

## EASTER MESSAGE

by Rev. C.B. Doshier

History of myth? This is a vital question today because it is obvious that one of the major problems of our times is that men have ceased to believe. Our western society in the past was firmly rooted in the Christian faith. During the last fifty years this has been quietly eroded away, so that today many no longer believe. Large numbers in our urbanized society accept the husk of civilization - its material benefits and scientific attitude - but reject its spiritual kernel - the Christian faith.

This is why Easter is so important. It proclaims once again the truth of the Resurrection, and upon this truth the whole Christian faith rests. If it is not true, then our faith is in vain, and men are right to abandon it.

But what are the facts. Very simply they are these:-

- Jesus of Nazareth lived and taught in Palestine and was executed during the time that Pontius Pilate served as Roman Governor in Jerusalem.
- His intimate followers, whose expectation of a better way of life had been centred upon Jesus, were shattered by the catastrophe of His death and burial.
- The expectation of anything further ceased with His death.
- Then, on the third day, His followers came unexpectedly face to face with their risen Master.
- This experience of meeting the risen Christ transformed his followers from a frightened defeated band of men, into a dynamic community which was sent out by Jesus to change the world.

Any claims so firmly rooted in history as these demand the thoughtful consideration of all sensible men. With the clear evidence of the spiritual confusion and moral decay of our times visible on every side, the Easter Message is one of new hope. It proclaims to all who will listen the fact of God's ultimate power and control. It declares that where men believe, they are building their lives upon an enduring foundation that nothing which happens in this present world can destroy, or take of no effect.
